

Acellera Contributor License ("CL") V1.0

Thank you for your interest in contributing to Acellera, Ltd. ("Acellera"). Acellera is very interested in receiving Your Contribution (defined below). In order to participate, we need to confirm how the rights in Your Contribution will be handled. Following the practices of other open source communities, Acellera requests that you grant Acellera a license, as indicated below, to the intellectual property rights in Your Contributions. Acellera requires that you have a Contributor License ("CL") on file prior to using any of Your Contributions. This helps us ensure that the intellectual property embodied within Acellera Products remains unencumbered for use by the whole of the community. This license is for your protection as a Contributor as well as the protection of Acellera and its users; it does not change your rights to use Your Contributions for any other purpose.

Terms and Conditions

You accept and agree to the following terms and conditions for Your present and future Contributions submitted to Acellera, in consideration for the potential inclusion of Your Contributions in Acellera Products. Except for the license and rights granted herein to Acellera and recipients of software distributed or otherwise made available by Acellera, You reserve all right, title, and interest in and to Your Contributions.

1. Definitions

1.1 "You" (or "Your") shall mean the copyright owner or legal entity authorized by the copyright owner that is making this Agreement with Acellera. For legal entities, the entity making a Contribution and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single Contributor. For the purposes of this definition, "control" means (a) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (b) ownership of fifty percent (50%) or more of the outstanding shares, or (c) beneficial ownership of such entity.

1.2 "Contribution" means any original work of authorship (including software, documentation, or other material), including any modifications or additions to an existing work, that is intentionally submitted by You to Acellera for inclusion in, or documentation of, any of the products owned or managed by Acellera (the "Work"). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to Acellera or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, Acellera for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

2. Grant of Copyright License.

Subject to the terms and conditions of this Agreement, You hereby grant to Acellera and to recipients of software distributed by Acellera a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.

3. Grant of Patent License.

Subject to the terms and conditions of this Agreement, You hereby grant to Acellera and to recipients of software distributed by Acellera a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims existing as of the effective date of this CL and licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work to which such Contribution(s) was submitted. If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that your Contribution, or the Work to which you have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this Agreement for that Contribution or Work shall terminate as of the date such litigation is filed.

4. Representations

4.1 You represent that you are legally entitled to grant the above license under this CL, whether on behalf of Yourself (if you are an individual person) or on behalf of the entity that You represent (if You are an entity). If You are an individual and Your employer(s) has rights to intellectual property that You create that includes Your Contributions, You represent that You have received permission to make Contributions on behalf of that employer, that Your employer has waived such rights for Your Contributions to Acellera, or that Your employer has executed a separate CL with Acellera.

4.2 You represent that each of Your Contributions is Your original creation (see section 6 for submissions on behalf of others). You represent that Your Contribution submissions include complete details of any third-party license or other restriction (including, but not limited to, related patents and trademarks) of which you are personally aware and which are associated with any part of Your Contributions.

5. Support

You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing, You provide Your Contributions on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.

6. Work from Others

Should You wish to submit work that is not Your original creation, You may submit it to Acellera separately from any Contribution, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which you are personally aware, and conspicuously marking the work as "Submitted on behalf of a third-party: [named here]".

7. Changes

You agree to notify Acellera of any facts or circumstances of which you become aware that would make these representations inaccurate in any respect.
